SigEp Elected to OSU Board of Trustees

Brother Christopher Alvarez-Breckenridge has been appointed by Governor Bob Taft, of Ohio, to The Ohio State University Board of Trustees! Christopher, who graduated in 2005 with his B.S. in Biology and Classics, currently attends medical school at The Ohio State University as a student of the MD/PhD program.

Those who went to school with "Cabby" are extremely proud of him and find it no surprise that their brother has made another grand achievement. As an undergraduate, Cabby served the chapter as VP of Communications and VP of Programming. Outside of SigEp, he was involved in too many activities to list, among them: Mirrors, Chimes, SPHINX, Homecoming Court, and Student-Alumni Council. I suppose it should be said that he did all this while maintaining a 4.0 grade-point average.

Congratulations to Christopher for representing The Ohio State University and SigEp on the OSU Board of Trustees!

CHAPTER OF THE YEAR!

The trophy case fills up again at the 2006 Greek Awards Banquet as the SigEp Men earn the award for IFC Chapter of the Year! This is the fourth time the brothers have earned this honor since their return to campus in 2001. That's right, four out of five possible years!

The men earned eleven individual and chapter awards including recognitions of several Seniors, new members, chapter advisory staff, and chapter programming.

In a year with a lot of ups and downs, our undergraduate brothers persevered and worked to be the best chapter at The Ohio State University. Newly Elected President Michael Repasky ('09) believes that this award is a sign of the chapter's dedication to success and constant excellence.

TRIPLETS- Update on Michael Smith ('85)

Michael Smith and his wife, Julie, are pleased announce the March 10, 2006, birth of their triplets: Connor, Addison and Harrison. They were born boy-girl-boy respectively. The children are doing very well. The triplets are their first children and they were born at the William Beaumont Hospital, in Royal Oak, Michigan. Julie and Brother Smith live in Oxford, Michigan.
