HONOR THE PAST - CELEBRATE THE PRESENT- CREATE THE FUTURE

RESULTS AND ACCOMPLISHMENTS!

2023 was another good year for Ohio Gamma. We have a wonderful group on the AVC Leadership team guiding and mentoring the undergrads. We meet monthly to compare notes and discuss objectives. We are also pleased to have a District Governor, Sean Willins, who is very involved. Last year our National Headquarters revised that position and reduced the number of chapters they are responsible for. The District Governors are now responsible for assisting the AVC rather than a focus on the undergrads. So we now have a high level of support from Sean which is much appreciated.

Spring recruitment is now the primary recruitment period at OSU. Freshmen cannot join any fraternity prior to spring semester. Our undergrad chapter added 18 new members this spring and 14 in the fall of upperclassmen. Our current membership stands at 86. We also reached a new milestone this year with 26 men signed up to live in the chapter house next year. That means a full house with single rooms and the undergrads are now looking at ways to utilize the larger rooms as doubles as we have at least 5 more men who would like to live in the house. It's great to see the men so interested in living in the chapter house!

From a GPA perspective, fall semester was 3.41 for the chapter. While most of us would kill for a 3.41 GPA, we ranked in a tie for 7th amongst the 28 fraternities at OSU. Interestingly last spring we ranked 4th with a 3.4. To give some further perspective, take a look at the chart at the right. We were not as high in the rankings as we would like but happy to still be performing significantly better than the "all student" and "all Greek men averages". It's also clear how much the women outdo the men when it comes to GPA!

If you are wondering how Greek life is going at OSU, it is growing. Last year there were 28 Fraternities and 40 Sororities. This year 3 new Greek organizations either started or returned to campus so we have a total of 71. The latest available individual member count was 5,287 in the Autumn of 2023. That was up from 4,593 in Spring of 2023. So a nice 15% bump!

Autumn Semester 2023	GPA
All Greek Woman	3.56
All Greek	3.46
All Woman at OSU	3.45
Highest GPA-Fraternity (Pi Lambda Phi) *	3.47
Sigma Phi Epsilon	3.41
All OSU Undergrads	3.38
All IFC Fraternities	3.34
All Greek Men	3.33
All Undergrad Men	3.30

*Did not count Phi Kappa Theta at 3.54 since they only had 2 members

DONATIONS URGENTLY NEEDED!

In the section below, we have recapped our donations over the past 4 years. The highest number of donors was 2020 when 119 brothers made a donation. That declined over the next 2 years and had a nice uptick in 2023. However, we have over 1,200 living alumni!

You can also see 10 brothers are carrying a significant portion of the load with donations over \$5,000 in a single year. And only one brother on that list is younger than age 73!

As a fundraiser, I often think about where we would be if even half of our alumni gave \$100 a year!

Our fraternity is functioning now at a high level. We have a professional property manager, an accounting firm, and a firm to manage our database and communications.

FUNDRAISING ACTIVITY AND HISTORICAL RESULTS

We thought you might be interested in a historical recap of donations over the past 4 years. Since 2020, 163 alumni have made a contribution.

DONATIONS	2023	2022	2021	2020
	AMOUNT			
Total All Gifts	\$68,390	\$93,023	\$173,109	\$155,613
# of Donors	72	59	79	119
Average Gift	\$949.86	\$1,576.67	\$2,191.25	\$1,307.67

DONATION LEVELS	2023		2022		2021		2020	
	AMOUNT	DONORS	AMOUNT	DONORS	AMOUNT	DONORS	AMOUNT	DONORS
Gifts over \$5,000	\$35,000	4	\$69,000	4	\$141,100	6	\$92,281	4
Gifts under \$5,000	\$33,390	68	\$24,023	55	\$32,009	73	\$63,332	115
Total All Gifts	\$68,390	72	\$93,023	59	\$173,109	79	\$155,613	119

These are all services our National Headquarters recommends for a high performing fraternity.

We really function like a University now in that we set a rate for rent based on what we need, but we have to be cognizant of the fact that the rate we need is not necessarily competitive with what the men would pay in other housing arrangements. So we provide scholarships to make up the difference. The scholarship need for the school year starting August, 2024 is about \$70,000 or \$35,000 per semester. **Right now we only have about \$17,000 in our scholarship funds, so we are dangerously low and will need at least another \$18,000 between now and August.**

Of course the bottom line is that donations are on a declining slope and we really need your help to keep the chapter house functioning at a high level. If you are donating regularly please keep doing so! If you can make your donation soon rather than year-end that would also help. You can donate on our website: ohiogamma.org/donate.

If you are not donating yet, please consider a donation of \$100 annually or \$250 (or more) if you would like us to provide a scholarship in your name.

A special thanks to the following brothers who have given at least \$5,000 in a single year:

Jim Pfeifer	1961
George Smith	1964
Jim Crossley	1970
Ken Bulter	1970
Bob Barnett (Deceased)	1971
Brent Bishop	1971
Ken Misener	1971
Mike Roberts	1971
Jim Allhouse (Deceased)	1976
Devin Woodyard	2005

A LEGACY?

Have you ever walked around a college campus and wondered about buildings or rooms being named for an individual? At Ohio Gamma we do that! We prepare a very nice plaque to designate who the room is named for and a framed Bio on the wall. Entry level is a \$25,000 contribution in one calendar year with a regular contribution annually. If you would like to discuss contact CJ Waggoner at waggonj55@gmail.com

UNDERGRAD ACTIVITY

While our undergrads have many types of activities going on, we wanted to highlight those that are helping the community:

- Raised over 3,000 pounds of food for the Vary Shary event which was donated to the Mid-Ohio Food bank
- Raised \$1,000 dollars for Buckeye Thon
- Pace setters for the Buck-I-Serve food packing event which provides packaged meals to those in need.
- Making blankets to donate to homeless shelter. This is a campus wide event.
- Adopted a street between 14th and 13th street near High St as part of the "Keep Columbus Beautiful" program. Clean ups are set for April.
- Hosting a Greek philanthropy week with other Greek organizations to raise money for Big Brothers Big Sisters.

COMPOSITE DIGITIZING PROGRAM

With a chapter that is 115 years old, you can imagine there would be no way to hang all the composites (group photos of brothers) on the walls of the chapter house. From that perspective it's probably good we are missing a lot of them!

Realistically storage of composites is a problem and most alumni never get a chance to look at them unless they come to the chapter house. Thankfully Jared Forts, a brother from Valparaiso, is actively involved with our Ohio Gamma chapter mentoring our VP Communications. He also happens to have his own studio in the business of graphics and photography. So we started a program to digitize all the composites we can find. For the one's not hanging on a wall at the house, we remove them from the frames and photograph them under special lighting to "digitize" them. Then we keep just the composite itself and dispose of the frame which really reduces storage issues.

Digitizing all the composites and putting them on our website in the future will also make the composites available to all who might want to check out a name or picture of a long lost brother, or just remember what we looked like in college!

Interestingly, we have never seen a composite prior to 1962 and it seems probable now that composites were not done prior to 1962. We are also missing most of the composites from 1967 through 1993. Since 1962, we can account for 46 composites of the 61 years.

Of course there may well have been years when no composite was made, **but if anyone has a small copy of a composite around we would really like to get it so we can digitize it, then send it back to you. So if you have one, let me know at waggonj55@gmail.com.**

Director of destination development for Destination Cleveland, was mentioned prominently in the Cleveland Plain Dealer for his work with Destination Cleveland

MENTORS NEEDED!

While you were an undergrad, you may or may not have had an alumni mentor. Admittedly you may have had a mentor assigned but had no real contact. We are trying to change that and add mentors for more than just Exec members.

Interestingly our current undergrad President just sent us a list looking for 27 additional mentors!

A mentor is a very valuable volunteer position for any fraternity. It's one on one contact and you are sharing your experience as an undergrad and your work and life experience as an alumni.

Generally, the time commitment is about 2 hours per month or about an hour every other week by phone, Zoom, or in person. Discussion is basically "How's it going?" Then it can take off from there in many directions. Our National Headquarters has on line training for Mentors.

If you want to consider this, send a note to Mike Zion at Mikezion04@gmail.com

IN MEMORIAM

The following brothers have passed away since our last newsletter:

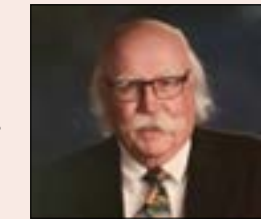

John J. Petro '59

John passed away November 24, 2023. John was very involved in Ohio Gamma serving on the Alumni Board for many years and was part of the alumni group who made the arrangements to purchase our current chapter house on Waldeck Avenue when our houses were deteriorating.

John was recognized for his work with Ohio Gamma in 2009 when he was awarded the Bob Barnett Outstanding Alumni Service Award. His obituary and a viewing of the service on Youtube are included below:

Major Alan J. Dover (Ret) '87

MAJ Alan James Dover, (RET), 61, of Fayetteville passed away Saturday, August 19, 2023 in Cape Fear Valley Medical Center.

Alan was born in Cleveland, Ohio on January 26, 1962 to the late Richard Conrad Dover and Josephine Aron Dover. MAJ Dover graduated from The Ohio State University where he completed ROTC training and received his commission as a US Army Infantry Officer in 1987. He deployed many times during his military career and retired in 2007 from Active-Duty service. Following his military service, he cultivated his love of cooking by attending the New England Culinary Institute, earning the title of Chef and becoming an instructor of Culinary Arts at Fayetteville Technical Community College. His full obituary can be read at the link below:

Dr. E. John Raab, D.V.M '73'76

It is with great sadness we share that Dr. John Raab, age 72, passed away Sunday, December 10, 2023, at his home in Waynesville surrounded by his family. John grew up on a farm in Lancaster. He graduated from Fairfield Union High School in 1969. He earned a doctorate

degree from The Ohio State University's College of Veterinary Medicine in 1976 and was president of his graduating class. While at Ohio State, he met the love of his life, Mary. They wed in 1976 and remained happily married for 47 years. John and Mary had two daughters, Lindsey and Rachel, who adored their father. John began his career practicing veterinary medicine on both large and small animals. He owned and operated Caesar Creek Animal Clinic in Waynesville and Sugar Creek Animal Clinic in Bellbrook. His full obituary can be read at the link below:
